

**AGARDOGRAPH INDIVIDUAL PUBLICATION RELEASE
and CLEARANCE CERTIFICATE
FORM 13-4**

To be completed and submitted to the AGARDograph Champion by the Individual Contributor

All individual AGARDograph contributions, be they from contributing nations or from scientists directly employed by NATO, must obtain any necessary clearances before submitting their contribution to the AGARDograph. These clearances may relate to security, proprietary or industrial rights and/or copyright, and are required for all contributions to Science and Technology Organization (STO) publications. National requirements for clearance may vary. It is the responsibility of the contributor to comply with relevant national regulations and to ensure that an appropriate national authority signs this form, if necessary. Specific rules apply to U.S. contributors and Non-U.S. contributors affiliated with U.S. organizations – see Section 4.

4b. United States Authors and Non-U.S. Authors Affiliated with U.S. Organizations

United States contributors should initiate their organization's and their sponsor's (if government-funded) internal review and release process through your local public affairs or foreign disclosure office or its equivalent early enough to meet the required deadlines identified in the author's package. Upon completion of this clearance process, forward a copy of all internal documentation along with the front, reverse side of this form (CSO Form 13) completed by you through Section 3 and a copy of the manuscript (only if non-classified) to:

NATO STO U.S. National Coordinator
OASD(R&E) / International Technology Programs
4800 Mark Center Drive, Suite 17D08
Alexandria, VA 22350-3600
USA
Tel: +1 (571) 372-6539 / +1 (571) 372-6538
Email: osd.pentagon.ousd-atl.mbx.usnatcor@mail.mil

The internal documentation from your organization's local public affairs or foreign disclosure office or its equivalent should clearly show the title of the paper or presentation, level of clearance (i.e. "Approved for Public Release") and the name, title and organization of the approval authority. Your package should arrive **not later than three weeks prior** to the submission deadline given in the author's package for this form (CSO Form 13). For classified contributions contact the office above for instructions.

Once satisfied that proper clearance has been achieved, the U.S. National Coordinator will sign this form (CSO Form 13) and send a copy to the CSO.

Any questions about this process should be directed to the U.S. National Coordinator.
