

NATO's M&S standards implementation regarding training through simulation in Romanian Land Forces Units

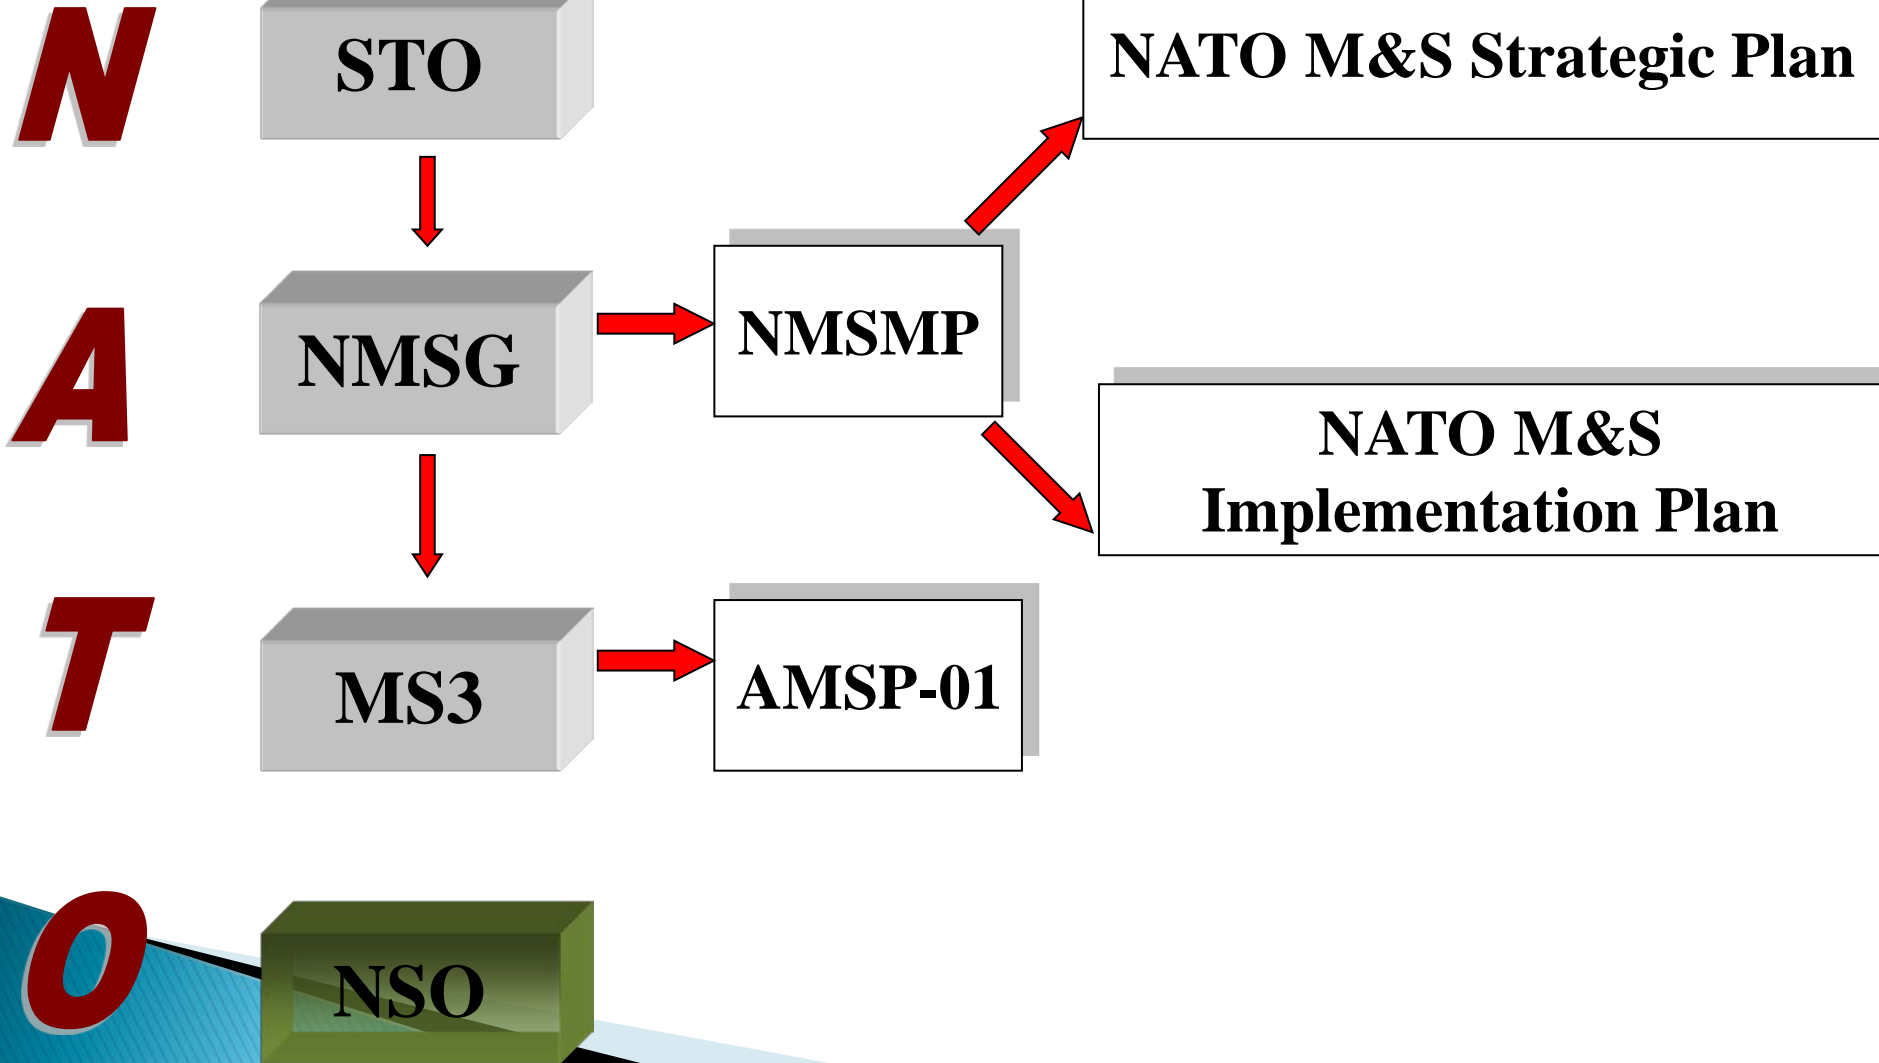

1st Lt. Diana-Ioana ZINCA (NEAGOE), Ph.D.student

Agenda:

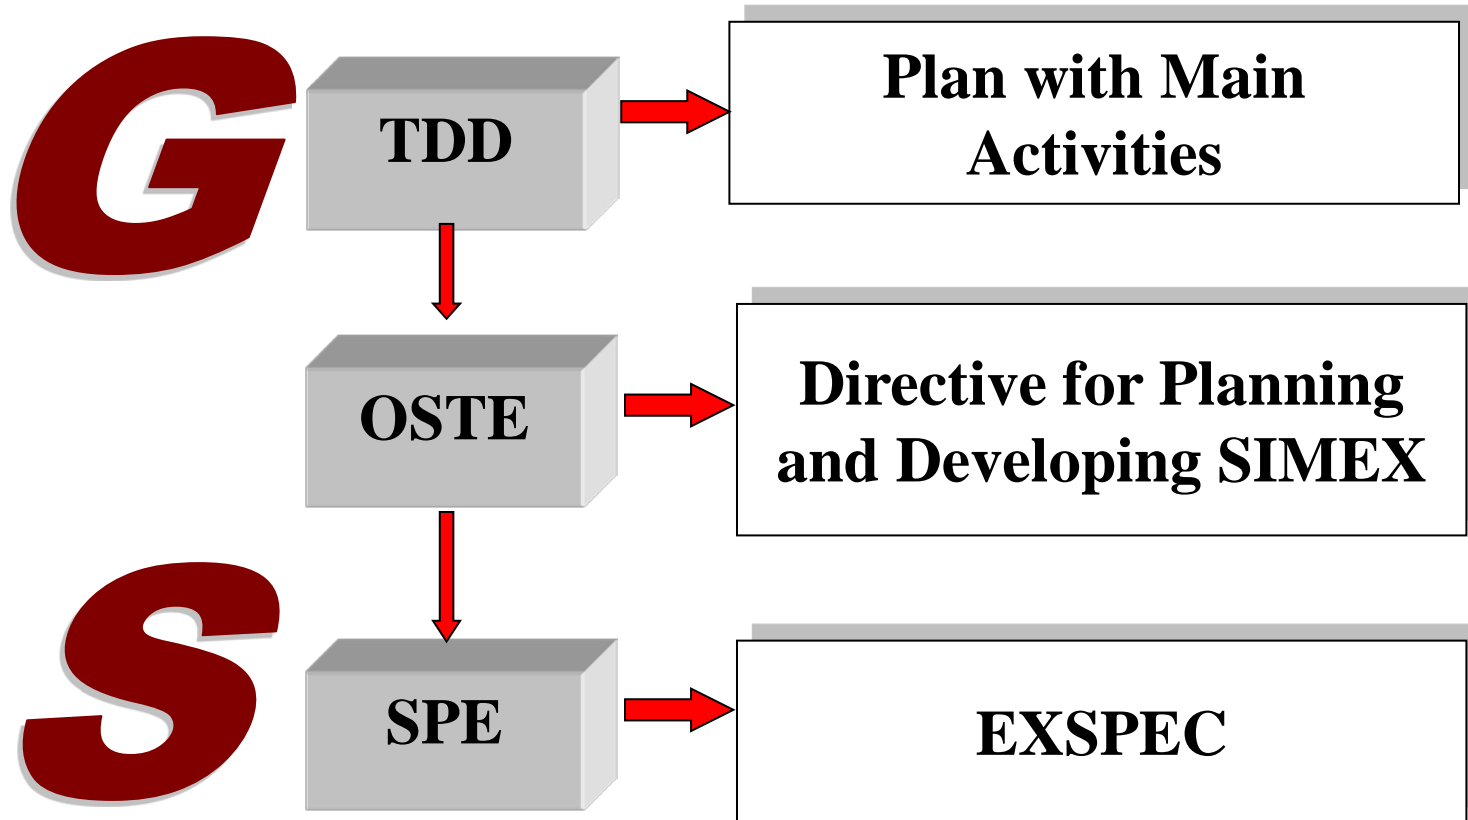

- ▶ **Romanian's Army alignment to NATO's M&S standards**
 - ▶ **Training through simulation**
 - ▶ **Examples of Romanian CAX exercises**
- 

**„ ALL BUT WAR
IS
SIMULATION ”**

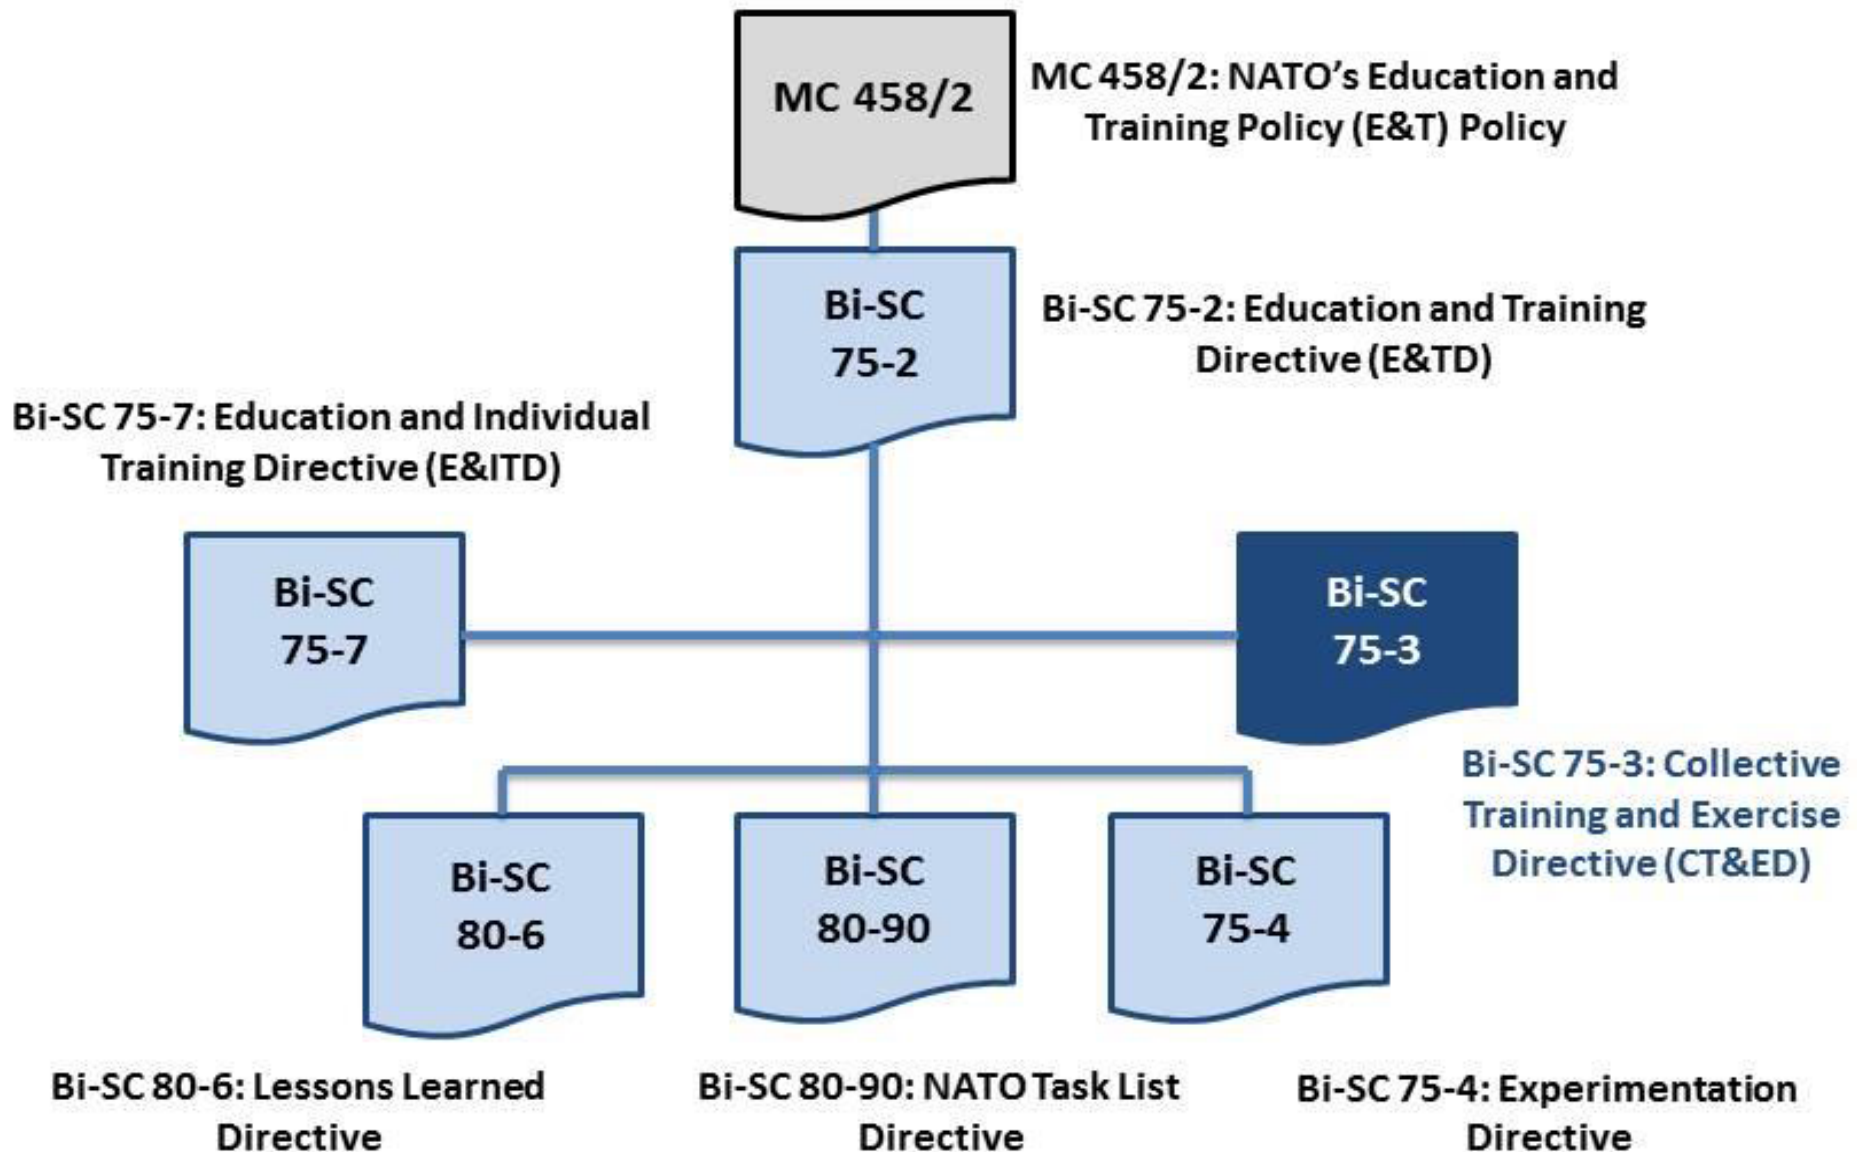

NATO's organizations and documents governing M&S field

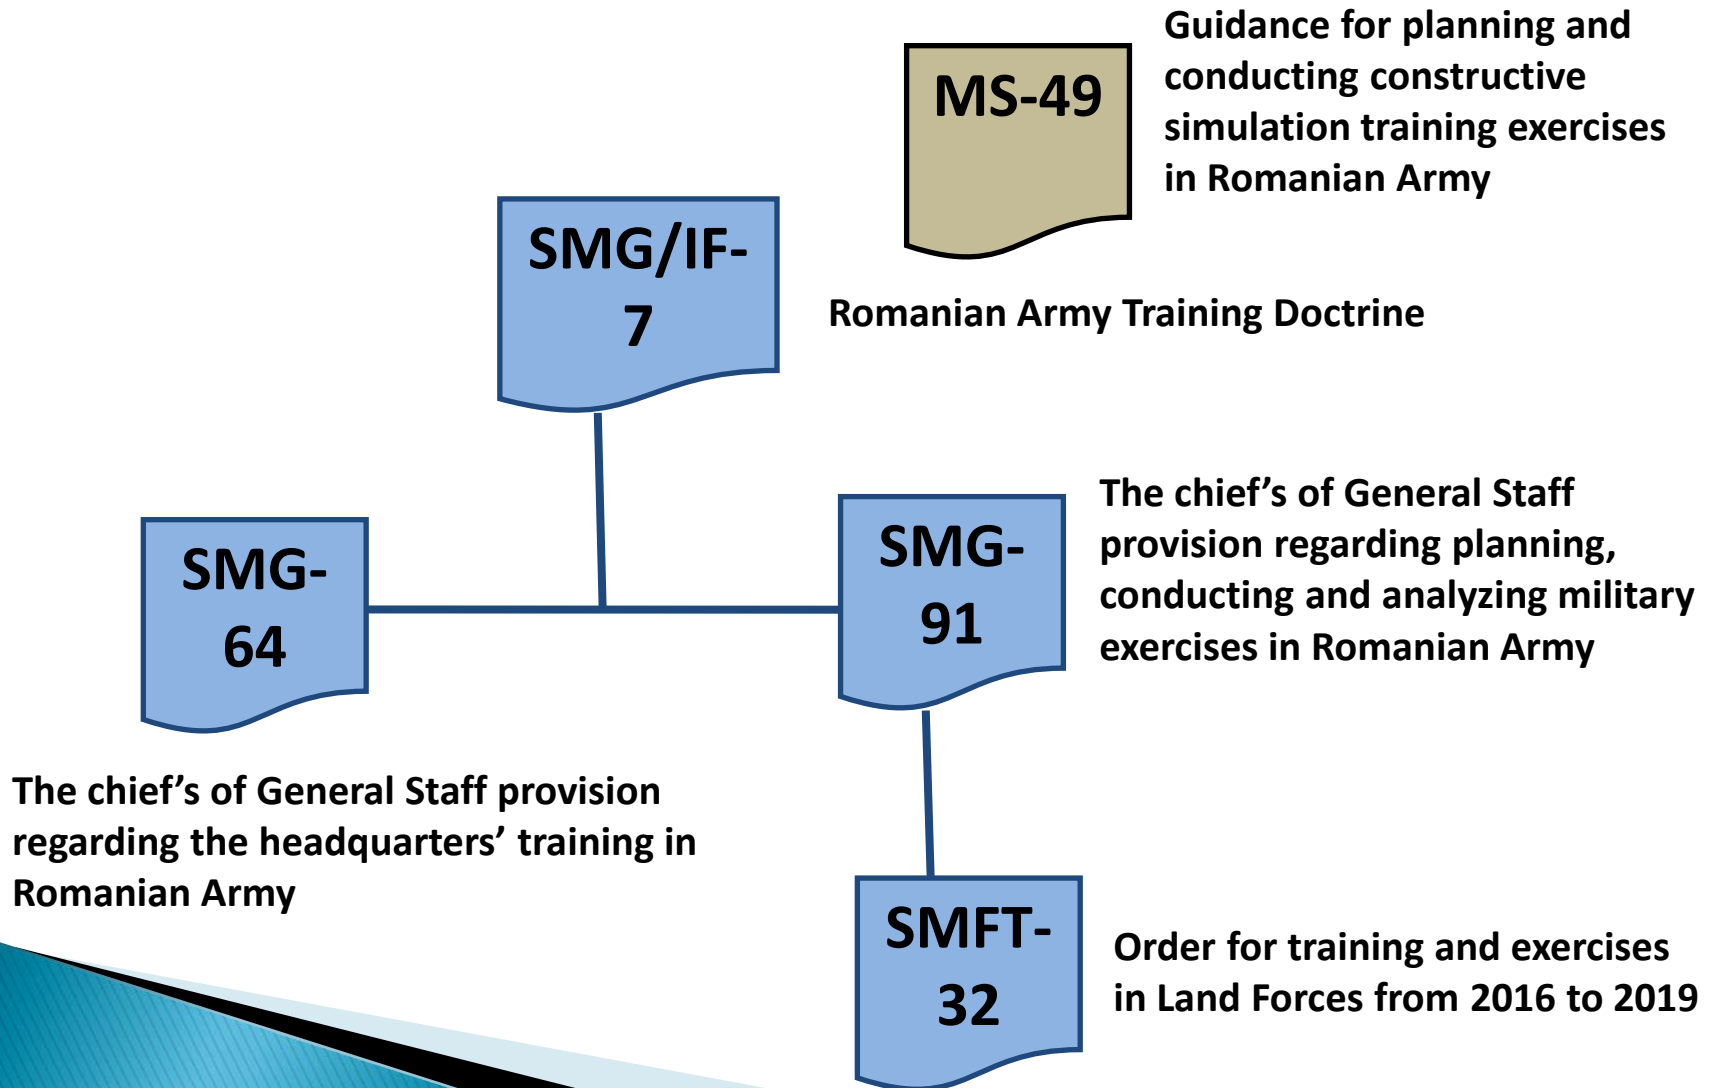

Structures and documents which govern the M&S field in Romanian Army

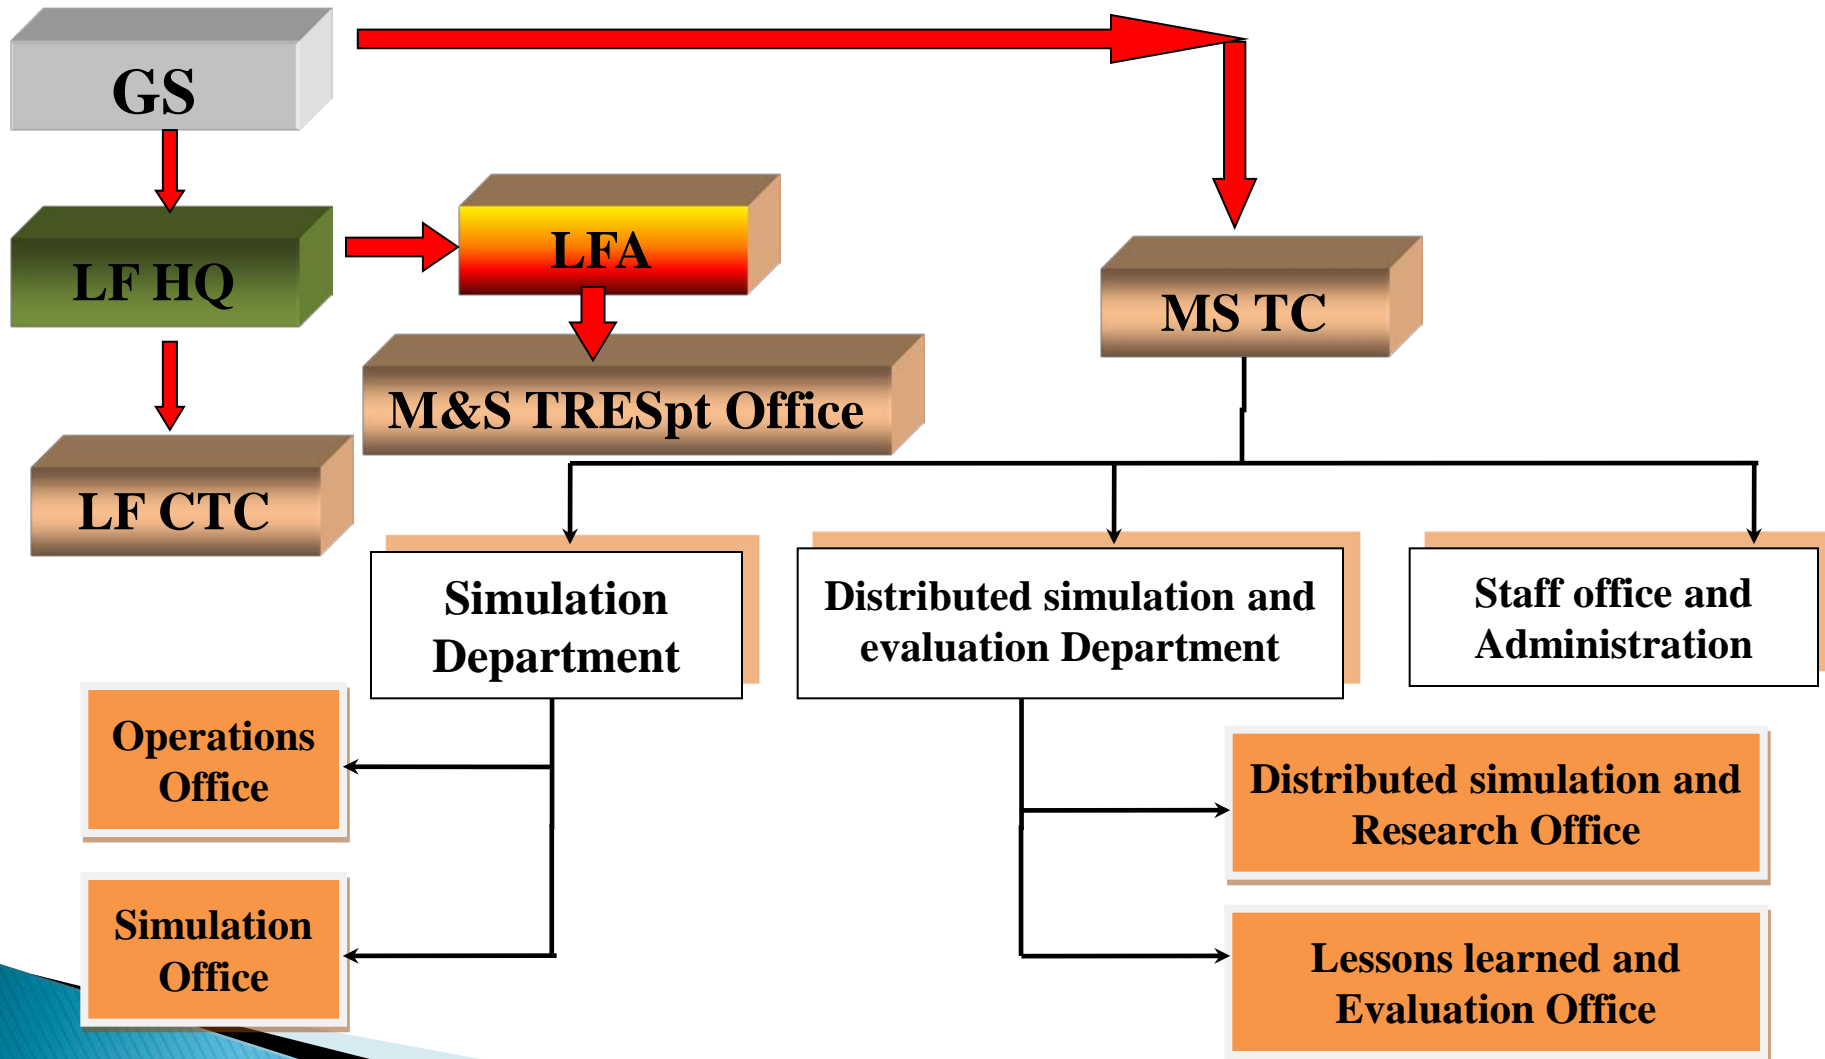

NATO's documents governing E&T field as Bi-SC 075-003

Romanian's Army documents governing E&T field :

The organization of M&S training centers used by Land Forces

CAX EXERCISES

**SABER GUARDIAN 13
MULTINATIONAL EXERCISE**

15 – 25 APRIL 2013
CINCU, ROMANIA

The banner features the Romanian coat of arms on the left and a globe with flags on the right. Below the text is a row of flags representing the participating nations: Romania, Turkey, Bulgaria, Georgia, Spain, Poland, France, Serbia, Ukraine, and the United States.

CONCLUSIONS:

- ▶ Connected simulation training exercises executed in multinational and integrated environment are increasingly used for military training in ROU Land Forces units.
- ▶ At national level is trying to be accomplished the alignment of M&S field at NATO's standards.
- ▶ Training through simulation is seen as a complex, dynamic and integrative form of instruction.
- ▶ Order SMFT- 32/2015 stipulates that in 2018 the main effort of training and exercises will be focused on enhancing instruction through constructive, virtual and real simulation.

**Thank you for paying
attention!**
